CLINICAL FOCUS

Dr. Eken's practice covers the medical oncology management of a wide range of cancers. Her areas of expertise include lung and thoracic cancers, head and neck cancers, laryngeal cancer, and brain tumors. In gastrointestinal oncology, she treats patients with colorectal cancer, small intestine cancer, liver cancer, and peritoneal cancer.

She also cares for patients with breast cancer, endometrial cancer, and bladder cancer, as well as lymphoma. As a medical oncologist, her role centers on evaluating each patient's diagnosis, stage, and prior treatment history and discussing the systemic treatment options that may be appropriate for their individual situation.

Lung and thoracic cancers

Head and neck cancers

Brain tumors

Endometrial cancer

Laryngeal cancer

INTERNATIONAL PATIENTS

Dr. Eken speaks Turkish and English, and interpreters can be arranged for patients who speak other languages. Before a visit, the Acibadem international patient team coordinates the collection of prior medical documentation, including MRI, CT, X-ray or ultrasound reports, laboratory and pathology results, operative notes and discharge summaries, and arranges appointments and the...
