CLINICAL FOCUS

Dr. Değertekin evaluates adults with digestive and liver conditions within the scope of internal medicine and gastroenterology. His areas of expertise include hepatology and liver diseases, gastrointestinal endoscopy, gastrointestinal motility disorders and obesity.

His published research reflects a particular interest in hepatology. He is first author of studies on the changing prevalence of non-alcoholic fatty liver disease (NAFLD) in Turkey, on the real-world efficacy and safety of Ledipasvir + Sofosbuvir and Ombitasvir/Paritaprevir/Ritonavir ± Dasabuvir combination therapies for chronic...
