HOSPITAL
Acibadem Fulya Hospital,
İstanbul

DEPARTMENT
Anesthesiology &
Reanimation

CLINICAL FOCUS

Dr. Akinci's clinical focus is intensive care. This includes the care of patients whose condition requires continuous observation of vital functions and, where necessary, support of breathing and circulation.

Her background in anesthesiology and reanimation supports this work. Anesthesiology covers the assessment of patients before a procedure, the administration and monitoring of anesthesia, and care in the period after surgery.
