DEPARTMENT
Psychiatry & Psychology

CLINICAL FOCUS

His clinical work centers on depression and anxiety disorders, panic and phobia treatment, obsessive-compulsive disorder, and trauma and stress-related disorders. Cognitive behavioral therapy is one of the main approaches he uses in individual psychotherapy, alongside structured psychological assessment and testing to help clarify a...

Beyond individual therapy, Doğançan Dursun offers couples and family counseling and grief and loss counseling. He sees both adolescents and adults, and adolescent counseling is provided with the involvement of parents or caregivers where appropriate.
