CLINICAL FOCUS

Dr. Orhon evaluates and treats adults with a broad range of psychiatric conditions. Her areas of expertise include anxiety disorders, panic disorder, social and specific phobias, obsessive-compulsive disorder and post-traumatic stress disorder. She also sees patients with mood disorders, including major depression and bipolar disorder.

Her practice further covers personality disorders, bulimia nervosa, attention deficit hyperactivity disorder, atypical psychosis and sleep disorders. Assessment and treatment are individualized according to each patient's symptoms, history and circumstances.
