CLINICAL FOCUS

Nasal and sinus care forms a substantial part of Dr. Aki's practice. She performs endoscopic sinus surgery and other sinus surgery, as well as rhinoplasty and septorhinoplasty, which address the shape of the nose together with the nasal septum when breathing is also affected. She also carries out prominent ear correction.

Consistent with her subspecialty in sleep disorders, Dr. Aki evaluates snoring and its relationship to the upper airway. She also sees patients with dizziness and assesses hearing loss in children.

Swallowing difficulties Endoscopic sinus surgery Adenoid treatment
Snoring Sinus surgery
