Gynecology & Obstetrics

CLINICAL FOCUS

Dr. Seyisoğlu sees women with concerns related to the menopausal transition and the years that follow, including menopausal symptoms and postmenopausal osteoporosis. He also evaluates and treats female infertility and hormonal conditions of the reproductive system, described in his profile as reproductive endocrine disorders and...

His professional memberships reflect these interests. He is a member of the International Menopause Society (IMS), the European Menopause and Andropause Society (EMAS), the Turkish Society of Reproductive Endocrinology and Infertility (TSRM), the European Society of Human Reproduction and Embryology (ESHRE), the American Society for...
