### CLINICAL FOCUS

Hasan Benli is an embryologist at Acibadem Fulya Hospital in Istanbul, working within the In Vitro Fertilization and Reproductive Medicine Center. He supports fertility treatment by managing the laboratory stages of IVF, and is also affiliated with the hospital's unit dedicated to the treatment of pelvic pain.

Hasan Benli is an embryologist at Acibadem Fulya Hospital in Istanbul, where he works within the In Vitro Fertilization and Reproductive Medicine Center. His work centres on the laboratory side of assisted reproduction, an area where careful handling of eggs, sperm and embryos plays a direct role in the outcome of fertility treatment. He is also affiliated with the hospital's unit for the treatment of pelvic pain.
