Orthopedics & Joint Center

CLINICAL FOCUS

Dr. Öztürk's practice is dedicated to hand surgery and upper-extremity trauma. He evaluates and treats hand and wrist injuries, hand and wrist fractures, ligament injuries, and tendon and nerve injuries.

Within his surgical practice he performs microsurgery and endoscopic treatment of tendon problems, and he is involved in burn treatment affecting the hand and upper extremity. The choice of a conservative or surgical approach depends on the individual diagnosis, the findings of the clinical examination and imaging, and the patient's...
