Acibadem Taksim Hospital, İstanbul

DEPARTMENT
Plastic, Reconstructive & Aesthetic Surgery

CLINICAL FOCUS

In aesthetic surgery, Dr. Karaaltın's areas of expertise include breast augmentation, breast reduction, rhinoplasty and surgical face lift. Each of these procedures is planned individually, taking into account the patient's anatomy, medical history and expectations, and the possible benefits, limitations and risks of surgery are...

In reconstructive surgery, his focus is on advanced limb reconstruction and on the care and treatment of chronic wounds. His board qualifications in hand surgery and in oral, facial and maxillofacial surgery, together with his membership in the Reconstructive Microsurgery Association and his publications on free flap reconstruction,...
