CLINICAL FOCUS

Dr. Utkan's clinical work covers common inflammatory and infectious skin conditions as well as procedural and cosmetic dermatology. She treats active acne, urticaria, skin infections and fungal conditions such as athlete's foot, and she assesses patients with sunburn.

On the procedural side, Dr. Utkan performs mole removal and assesses birthmarks, and she offers pigmentation treatment, PRP, treatment for excessive sweating, and general skin care guidance. Her cosmetic dermatology interests include lip fillers and wrinkle care.
