CLINICAL FOCUS

Dr. Paşaoğlu's clinical work centers on the conditions seen in general otorhinolaryngology. Ear conditions form one part of his practice, and evaluation begins with a detailed history and a clinical examination of the ear before any further steps are considered. Nose conditions are another area of focus;

In each case, Dr. Paşaoğlu reviews the available reports, explains what the examination shows and discusses the options that may be appropriate for the individual patient. The emphasis is on establishing a clear diagnosis first, so that any recommendation for further investigation or treatment is based on the findings rather than on...
