CLINICAL FOCUS

Dr. Manavoğlu's practice covers the range of ear, nose and throat conditions that are evaluated in an outpatient ENT setting. The assessment usually begins with a detailed history of the patient's symptoms, followed by a clinical examination and, where relevant, a review of any imaging or test results that have already been obtained.

Nasal complaints are among the concerns commonly brought to an ENT specialist. Patients who wish to learn more about surgery of the nasal septum can find general information on septoplasty on this site. Whether any procedure is suitable for a particular patient can only be determined after an individual clinical evaluation, and Dr.

INTERNATIONAL PATIENTS

Dr. Manavoğlu consults in Turkish and English, and interpreters can be arranged for patients who speak other languages. Before a visit, the Acibadem international patient team coordinates the collection of prior reports and imaging, such as MRI, CT, X-ray or ultrasound reports, laboratory and pathology results, operative notes and discharge summaries, and arranges appointments and the...
