CLINICAL FOCUS

Emergency medicine covers a wide range of presentations that require prompt evaluation. Within this field, Dr. Özkaya's areas of expertise include trauma, which encompasses acute injuries of varying severity, and environmental emergencies, a group of conditions related to exposure to the surrounding environment.

He also treats patients with bee stings and tick bites. These presentations may range from local reactions to more serious systemic responses, and the initial assessment is directed at identifying urgent symptoms and providing appropriate emergency management.

INTERNATIONAL PATIENTS

Dr. Özkaya speaks Turkish and English, and interpreters can be arranged for patients who prefer another language. The Acibadem international patient team coordinates the collection of prior reports and imaging, for example MRI, CT, X-ray or ultrasound reports, laboratory and pathology results, operative notes and discharge summaries, and arranges appointments and organises the hospital...
