Acibadem Altunizade Hospital, İstanbul

DEPARTMENT
Cardiology Department

CLINICAL FOCUS

Dr. Şekerci assesses and follows adults with heart failure, including patients being evaluated for or followed after heart transplantation, and adults with pulmonary hypertension. She also sees adults with congenital heart disease. Her published work reflects these interests. Topics include cardiohepatic syndrome and its prognostic value in pulmonary arterial hypertension, the TAPSE/PASP ratio in right ventricular failure after left ventricular assist device implantation, right ventricular mechanics in patients with Behcet's disease, the association between TAPSE...

Heart failure Heart transplantation Pulmonary hypertension
Advanced echocardiographic assessment Cardiovascular imaging

CONDITIONS TREATED

Heart failure Pulmonary hypertension Adult congenital heart disease
Pulmonary circulation Right ventricular function
