CLINICAL FOCUS

Dr. Yalçın evaluates and treats a broad range of urologic conditions in adults, and his areas of expertise also include pediatric urology. In the field of male reproductive health, he sees patients with infertility and provides sexual dysfunction treatment, and he also manages sexually transmitted infections.

His practice further covers kidney diseases, kidney cancer, and kidney stones, as well as hematuria (blood in the urine), bladder health, and urinary incontinence. He also treats urethral diseases and addresses urogynecologic conditions. Where appropriate, Dr. Yalçın uses robotic surgery;
