Pediatrics

CLINICAL FOCUS

Dr. Aka provides general pediatric care with an emphasis on prevention. This includes childhood immunizations and well-child follow-up, in which a child's growth, development, and general health are reviewed at regular intervals.

A further area of her practice is the diagnosis and treatment of pediatric infectious diseases. She sees children with upper respiratory tract infections and with the childhood rash illnesses, including chickenpox, measles, rubella, and scarlet fever.

Childhood immunizations Well-child follow-up
Pediatric constipation Childhood rash illnesses Chickenpox

CONDITIONS TREATED

Childhood immunizations Upper respiratory tract infections in children
Pediatric constipation Childhood rash illnesses Chickenpox
