Medical Oncology Department

CLINICAL FOCUS

Dr. Eralp's clinical work covers the medical oncology care of adults with a range of solid tumours. Her areas of expertise include head and neck cancers, among them oral cancer, tongue and base of tongue cancer and nasal tumours. She also treats patients with lung and thoracic cancers and with brain tumours.

Her practice further includes kidney cancer and adrenal gland cancer, anal cancer, and skin tumours, including malignant melanoma. As a medical oncologist, she evaluates each patient's diagnosis and previous treatment before discussing the systemic treatment options that may be appropriate;
