DEPARTMENT
Emergency Service

CLINICAL FOCUS

Dr. Saydam's practice is emergency medicine. Her work involves the initial evaluation of patients presenting with acute symptoms, the rapid identification of conditions that require immediate attention, and the start of treatment while further diagnostic steps are organized.

Her areas of expertise include urgent medical evaluation, emergency assessment, acute medical care and immediate treatment. Emergency care is delivered as part of a team, and Dr. Saydam works with the other physicians, nurses and support staff of the Emergency Service.
