DEPARTMENT
Internal Medicine

CLINICAL FOCUS

Dr. Karaali's practice covers general Internal Medicine for adults, with a subspecialty interest in thyroid diseases and their treatment. Her areas of expertise include the management of chronic diseases, prediabetes, obesity, thyroid disorders and anaemia, as well as geriatric health for older adults with several coexisting conditions.

A further part of her work concerns digestive organs. She sees patients with chronic pancreatitis and other pancreatic diseases, and with liver and biliary tract diseases, including fatty liver disease.
